Greetings in the Name of Christ,

Our United in Christ United Methodist Congregation wishes to extend our heartfelt thanks for the generous donation of grant money that you gave us to expand our parking lot!

The merger resulting in United In Christ UMC on January 1, 2024, of the former Genesee and Thetford Center United Methodist Churches brought about such a revival and spiritual renewal. While so many exciting things were happening, it also brought up the need for additional parking spaces.

Thank you for working with us beginning in March of this year, through giving us the grant money in June, to the installation of asphalt for three handicap parking spaces and eighteen limestone parking spaces in September.

Your very generous donation toward the expansion of our parking lot allows us to further our ministry and outreach into the community.

We are so grateful to be a part of the wonderful connection of the East Winds District and the Michigan Conference of the United Methodist Church.

Our sincere thanks to each and every one of you who made this possible.

God's blessing,
United in Christ
United Methodist Congregation
